

Rocking Wolf Ranch

The Rocking Wolf Ranch is specialized in Foundation Quarter Horses. We strive for versatile horses with an exceptional mind. All our horses are trained by Natural Horsemanship: we sell horses that are respectful and eager to work.

At the Rocking Wolf Ranch we do not follow the beaten path of crossing only well known pedigrees but we are proud to select our horses by their personality, conformation and the way they move. Some do have well known pedigrees, some don't: but all of them are excellent horses with a passionate heart and spotless conformation. Our credo is to ride the horse – not the paper.

Our herd sire is Ka Cee Smoker. He is an exceptional stallion that has proven himself as a versatile sire!

Our broodmare band counts 8 mares. All the mares are sound and healthy as we believe that only good mares can produce good foals. Most of the mares are broke to ride and are taken on trail rides now and then. We know what the mares are like and what they pass on to their foals.

To train our horses we use Natural Horsemanship methods and take our young ones along for strolls through the bush, water, along highways and up to friends where they spend the night on their own before coming home the next day. They are introduced to cattle and used to be around all kind of critters.

Their training is according to their age: halter broke, ground work (yearlings), used to saddle (2-year olds), started under saddle (3-year olds), specific training (4 years and older). We do start riding the horses late but we don't start late spending time with them, teaching them manners and playing with them.

All of our horses are current on vaccinations, worming and farrier. We provide a written guarantee that the horse is healthy and sound at the day of sale. Also, we are happy to provide pictures and a video to any seriously interested buyer.

Ka Cee Smoker

DOB: 29. March 2002

Color: Silver Grullo
(EaaaNCr)

Height: 15.1 h

Training: Ranch & Trail Horse,
Parelli Level 2

Stud Fee: 750 CAD

Remarks:

Smoker is an extraordinarily minded stallion with a striking charisma. His line is well known for reliable ranch and successful show horses. Smoker is well trained and ridden around the ranch and on trail rides: under saddle he is all business and very eager to please. It is a pleasure to ride him; he has very smooth gaits and balanced movements. He has done extensive trail riding, cattle work, some jumping and western pleasure. Even though he is built like the old-style foundation horse he shows lots of athletic potential and can move quickly enough to easily control a cow.

Smoker is our herd sire. He has proven his great versatility in his offspring and consistently passes on his honest and quiet temperament. His foals have lots of body, good bones as well as straight and solid feet. They all have nice top lines with a short back and a well muscled neck, stout shoulders and good solid hips.

Being a Silver Grullo, a color that only 0.7% of AQHA registered horses have and that is well sought after, he not only turns heads but it makes him the ideal stallion to bring some color into your herd. He is a black horse with the dun and the cream gene and he therefore can sire a rainbow of colors including Silver Grullos, Buttermilk Duns, Dunalinos, Duns, Buckskins, Palominos and many more colors. If you have a question about the chance of getting a certain color out of your mare, feel free to contact us.

Smoker stands at stud to outside mares for pasture or hand breeding. He is very gentle with the mare and only breeds closely to ovulation. As he stops breeding within 12 hours after ovulation, he keeps the natural inflammatory reaction minimal and gets also difficult mares in foal during the first breeding cycle. His semen quality is excellent. Please inquire for cooled or frozen semen.

Pedigree:

Ka Cee Smoker's Sire was IBHA All American Buckskin Congress Grand Champion and ABRA Reserve Grand Champion with a ROM in Western Pleasure. His full brother was IBHA World Reserve Champion Stallion. Many of his siblings were successfully shown at local shows and so is he.

The Rocking Wolf Ranch Mares

We select our mares carefully. We only have sound and healthy mares with a good disposition. Most mares are broken to ride. They have balanced movements and show athletic potential. We look for smart mares that have their own charisma. The Rocking Wolf Ranch does not prefer any special bloodlines but selects the horses only upon their abilities. We are proud to feature a very versatile breeding program!

The Rocking Wolf Ranch Offspring

Our herd sire is Ka Cee Smoker. Every year though we breed one mare to an outside stallion in order to add selectively new blood into our breeding program. 2006 was Smoker's first foal crop born. The foals all are trained according to age.

We strive to breed outstanding athletes, we strive to raise horses with a unique personality and a heart that matches their charisma. We are proud to present you our foals.

RVVR Quick Dominick

DOB: 16. August 2006
Gender: Gelding
Color: Buckskin
Height: 14.3 h (at maturity)
Training: Started under saddle

Remarks:

Dominick is incredibly athletic with a very honest mind. He is built like a show horse and he has the physical and mental potential to make his way all the way up. He has beautiful gaits, is very light on his feet and turns on a dime. Dominick is well muscled with excellent feet and good bone. He would be an ideal mount for reining, reined cowhorse or even cutting and he might do well as a jumping pony. He sure does have the disposition to be handled by an experienced young rider as well as a professional.

RVVR Acrobatic Amber

DOB: 13. April 2007
 Gender: Gelding
 Color: Dun
 Height: 15.1 h (at maturity)
 Training: Ground Work

Remarks:

Amber is very catty and loves to chase all kind of critters. He is curious and eager to learn new things. Amber is an honest horse that loves attention. He has a wide chest and will be a very stout horse. He would be an ideal mount for team penning, working cowhorse, cutting, roping or even a pickup horse – or a trail horse.

The latest newcomer is CLF Zans Legacy who is bred to Mainly Marty, a fabulous grullo stallion by Jacs Little Pine. Mainly Marty was trained by Tim McQuay but unfortunately was not shown due to foundering as a 3 year old. Mainly Marty is proving himself as excellent producer (AQHA/NRHA). He also is a 3/4 brother to Martha's Mega Jac, who has won a gold medal for the United States Equestrian Team, and earned over \$93,000 to date. CLF Zans Legacy is by Zan Parr Sun of the Sunup Ranch and out of a Two Eyed Jack bred mare. She combines some of the most proven ranch lines with some of the most successful performance lines.
