Primary Pine can genetically be considered to belong to the highly successful cross between Great Pine x Hollywood Dun It. As Continental Ace has proven himself in the show ring and as a Sire, it can be considered a great advantage to have him in the pedigree as he brings the same genetics as Hollywood Dun It but from a different source.

Famous Flirt Girl is out of the mare **Flirting Blond** by Blondys Dude. The pedigree of **Blondys Dude** is remarkable:

He is on top gender-balanced Zantanon line-bred with additional gender-balanced sources of Traveler. On the bottom he goes back to Plaudit (QH) by King Plaudit (QH) by Plaudit (TB). Plaudit (TB) is not only a half-brother to Domino but also out of the mare Cindarella who was an exceptional broodmare and most of her sons established sire lines that still exist! Plaudit (QH)'s broodmare sire is Old Nick by Old Fred (Wiescamp breeding). Blondys Dude therefore has the ability to introduce speed and body – and did show to pass these traits on. Blondys Dude is the sire of Shining Spark's broodmare sire!

Flirting Blond is out of the mare **La Perada** who is on top through different sources Old Sorrel line-bred with yet another source of Old Sorrel on the bottom. Her broodmare sire though goes back to Chicaro and introduces another source of the genetic background of Domino through Peter Pan. Old Sorrel is by Hickory Bill who is out of Lucretia M by The Hero – another son of Himyar and half-brother to Plaudit and Domino. **Flirting Blond** is incredibly speed bred and remarkably traces through three different sources to Himyar: Domino, Plaudit and The Hero!

Famous Flirt Girl combines successful reining with outstanding speed breeding. And this is what she passes successfully on to her foals: extraordinary speed and a very deep consistent stop!
